

# JetSort<sup>®</sup> 1000

## Compact Coin Sorters

# JetSort 1000 Coin Sorters

## Compact

The easy access to coin drawers on this very small unit allows the JetSort 1000 to be used in the smallest of spaces.

## Fast & Reliable

JetSort sorts as many as 2,200 coins per minute. The patented sorting disk is warranted for 10,000,000 coins.

## Easy to Use

Large control keys, an easy to read LCD display and built-in lift tray assure accurate and easy coin processing.

**Models Available:** AUD, EUR, GBP, CAD and many others.

**Coins Sorted:** up to 8 coins.

**Sorting Speed:** up to 2,200 coins per minute.

**Dimensions:** 27cm W x 24.5cm H x 42.5cm D

**Weight:** 24.5 kg

## Options & Accessories

**Coin Bag:** Any or all of the sorted coins can be collected in coin bags or boxes (drawers). Coin collection can be changed at any time to bag or box. Shown below is an 8-coin machine with bag adapters.

**Adjustable Riser:** The adjustable riser raises the JetSort 1000 according to the height of the coin bag. Must be used when using coin bag option.

**Communications:** Four RS232 ports connect JetSort 1000 to a printer, computer, remote display, or JetScan/JetCount currency processor.

**Advanced Keyboard & Electronics:** Allows ID numbers for operators or account numbers to be added to coin information sent to printers or computers. Allows label headers to be customized to match user terms. Provides adjustable bag/box stop limits by denomination and allows for coin packaging. Also allows JetScan® or JetCount® note processors to be connected to JetSort 1000 for consolidation of coin and note totals.

**Barcode Scanner:** Scan barcode for label entry.

**Remote Display:** Large, red LED numbers show coin totals. Requires Communications option.

**Value Counter Option:** All coins are counted by denomination and collected into a single transfer box, which is easy to pour into a larger central JetSort for consolidated processing.

## Complete Coin & Currency Systems

When processing both coin and currency, you can connect JetSort 1000 to Cummins Allison currency equipment to combine coin and currency details/totals in a single printout and/or transmission to your computer.
